

Limited 15 Year Plus Warranty for Residential Doors Model Encore 3600, 4800 series

Lynx Industries warrants the Encore 3600 and 4800 insulated garage doors for fifteen (15) years against rust through “perforations” due to the paint finish cracking, checking, or peeling, providing doors are installed in a residential application and operate in normal atmospheric conditions. Chips or scratches in the paint as a result of bottom sections crushing a sloped garage floor or evidence of poor water drainage may result in cosmetic or surface corrosion, and will not be covered in this warranty.

Lynx Industries warrants all sealed windows for five (5) years from the installation date against any internal formation of condensation. Broken or cracked glass is not covered by any warranty.

Lynx Industries warrants all garage door hardware and track, excluding springs, for a period of two (2) years. Other conditions and exceptions herein apply.
